

5th Grade Orchestra Placement

Parents,

What an exciting time for your child! All students who are interested in being in the 5th grade Orchestra at Clark Intermediate or Tom Cox Intermediate should attend the orchestra instrument placement. Orchestra directors will take time and discuss different instrument options with your child. Students will get to try out all four orchestra instruments, (Violin, Viola, Cello, and *Bass*) to determine which instrument they are most comfortable with. **Please note that students attending Tom Cox that wish to play Bass must play Cello their 5th Grade year.** Below is the date and contact information for this audition.

DATE: Tuesday, May 28th, 2019
