

## UIL A+ Academic Competition

**What:** These activities, which exist to complement the academic curriculum, are designed to motivate students as they acquire higher levels of knowledge, to challenge students to confront issues of importance, and to provide students with the opportunity to demonstrate mastery of specific skills. Students are challenged to think critically and creatively, exhibiting much more than knowledge and comprehension. This event also allows for the opportunity for Cox Intermediate students to compete against other intermediate students from around the district.

Points are provided for first through sixth place winners in every competition. The campus with the most points at the end of Saturday will be awarded the district's UIL trophy.

**When:** Friday/Saturday, April 5–6. Students must be able to provide their own transportation to and from the event.

Practicing can not start until January 3, 2024.

**Location:** Irons Jr. High
