Parents—Please initial every statement to confirm your acceptance:

_____ DI is an opportunity for your child to improve critical thinking skills and collaboratively problem solve in a team setting. It is time intensive, requiring at least 1-2 meetings per week, and possibly more, closer to the competition date. If your child is not there, it affects the entire team's ability to learn to work together and to plan challenge solutions. Teams will be meeting outside of school hours. Team meeting day to be determined by team manager and team members. Teams led by non-Tom Cox employees will be have meetings held off campus. Students must be prepared to work both individually and with their team to build and complete certain aspects of the challenge. *If your child misses more than 3 scheduled meetings, or cannot attend the Regional Tournament, February 18, 2023, he/she is subject to removal from DI without a refund.*

_____ Participation fee for Tom Cox's DI is \$30 payable to Tom Cox Intermediate. This covers the cost of a t-shirt and DI Team membership. There will be additional costs related to the Central Challenge.

_____ No child is guaranteed a spot on a DI team. Any student wanting to participate in DI must complete and return an application form to Mrs. Bodin by Tuesday, September 27th. *Late applications will not be accepted.*

_____ The only way to guarantee your child's membership in DI is to volunteer as a Team Manager. Team managers are required to attend one of the Southeast 6 DI Team manager trainings, apply and be approved as a CISD volunteer and agree to a background check conducted by Destination Imagination.
