The Conroe logo icon (on the top left hand side of screen) will always take you back to your user dashboard; you could also click "Dashboard".

All the links you see to the left are part of your Global Navigation and you will have access to them from anywhere in Canvas.

Click "Courses" to see a list of available courses in which your children are scheduled.

Select any of the courses listed to be able to view the content of that course.

Example:

**Language Arts 202** is a course tied to my 2nd grade child

**Biology B 1** is tied to my HS child

NOTE: You will only be able to view courses that have been published by the teacher. If a course is not listed, then that course has not been published yet.

## Courses

- Biology B 1
- Language Arts 202
- Math 202
- Social Studies 202
- Spanish B 3
- Theater Art B 4

All Courses

Dashboard will also display courses from the "courses" link. You can personalize color and give the course a nickname by selecting the pencil icon. You can also toggle and see a "Recent Activity" list instead.

The screenshot shows the Canvas dashboard interface. At the top left, the word "Dashboard" is displayed. A red box highlights a toggle switch with the text "Click to toggle to 'Recent Activity' view". Below this, two course cards are visible: "Biology B 1 DEMOBIO" with a green header and "Language Arts 202 LA2" with a blue header. A red box with a pencil icon points to the top right of the first card, with the text "Click to edit color and/or give this course a 'nick name'". To the right, the "Recent Activity" section is shown, containing a message: "No Recent Messages You don't have any messages to show in your stream yet. Once you begin participating in your courses you'll see this stream fill up with messages from discussions, grading updates, private messages between you and other users, etc." Below this is a "Coming Up" section with a "View Calendar" link. A large red double-headed arrow indicates the toggle switch's effect on the activity stream.

## Calendar

The calendar will give you an overview of what is going on in each course. You will be able to see assignments, quizzes, discussions, and events that have been posted by teachers.

Click "Calendar" on the left-hand global navigation menu.

Everything on the calendar is color coordinated. You will see all courses listed under "Calendars". As long as the course is selected, you will be able to see all data for the calendar:

The screenshot displays the Canvas LMS interface. On the left, a blue navigation menu includes 'Account', 'Dashboard', 'Courses', 'Calendar', and 'Inbox'. A red arrow points to the 'Calendar' icon. The main content area shows a calendar for August 2016. At the top, there are navigation options: 'Today', navigation arrows, and tabs for 'Week', 'Month', 'Agenda', and 'Scheduler'. The calendar grid shows days from Sunday to Saturday. Events are listed in colored boxes: a green box for 'Key Indicators Quiz' on Tuesday, a purple box for 'Mission to Mars Field Trip' on Wednesday, a pink box for 'SUPPLY LIST' on Tuesday, a blue box for 'ePortfolio and Canvas Explorator' on Tuesday, a purple box for '3rd Qtr Progress Reports' on Wednesday, a purple box for 'TEST: SW Asia Culture/Re' on Wednesday, a purple box for 'CNN Quiz 2' on Friday, and a purple box for 'Extra Credit Due' on Friday. On the right side, there is a secondary calendar view for August 2016. Below it, a list of calendars is shown, including 'Demo Parent', 'Biology B 1', 'Language Arts 202', 'Math 202', 'Social Studies 202', 'Spanish B 3', and 'Theater Art B 4'. A red box highlights this list. Below the list are 'Undated items' and a 'Calendar Feed' link.

If you click on any of the item on the calendar you will be able to see more details:

You can customize the color of each course (or on the dashboard)

- Click on the three dot's next to the course
- Select the color from the color choices then click "Apply"
