

COVID-19 Symptom Screening • Student Check-In

Student Name _____

Campus _____ Date _____

Dear Parent/Guardians,

To ensure the health and safety of all students and staff and in accordance with recommendations and guidelines from the Texas Education Agency, all students should be screened for COVID-19 symptoms. Please read and answer the questions below. If you respond **YES** for your student on either question, please keep your student at home and notify the campus administrator or campus nurse.

1. Does your student currently have a temperature at or above 100.0 F. or any of the following symptoms that are not normal for them?

YES NO

- Loss of taste or smell
- Sore throat
- Fatigue
- Chills or shaking with chills
- Congestion or runny nose
- Significant muscle pain or body aches
- Have a new uncontrolled cough that causes difficulty breathing or for individuals with a chronic allergic/asthmatic cough, a change in your cough from baseline.
- Diarrhea, vomiting, or abdominal pain
- New onset of severe headache
- Known close contact with a person who is lab confirmed to have COVID-19

2. Are you waiting for COVID-19 test results for your student due to symptoms that began less than 10 days ago?

YES NO

Health and Safety Reminders

- Keep any student who is feeling ill at home.
- Masks or face coverings help to prevent the transmission of COVID-19.
- Everyone should cover any coughs or sneezes with a tissue, throw the tissue in the trash, and immediately wash or sanitize their hands.
- Washing hands before and after eating, using the restroom, and touching high-contact objects/areas will help reduce the spread of germs and illnesses.
- Working together, we can keep our Conroe ISD community healthy.
